**The Paramount** will be taking over the **Big Jamaica's** Bonito and Blues trips every Thursday and Friday now that the Jamaica is Tuna fishing. The **Bonito, Mackerel** and **Albacore** fishing has been **good**. With both **Sea Bass** and **Fluke** *closed* and in an attempt to not pulverize the Ling spots every day, we will take advantage of the good fishing for **Bonito, Albacore, Mackerel** and **Blues** we've been having. (The **Blues** have only just started to bite; it's been mostly **Bonito, Mackerel** and **Albacore** with some **Blues** mixed in)
